

# Steward's Way Curriculum

The Steward's way contains three levels (100, 200, and 300). Each level has three, six-lesson modules made up of short videos and manuscripts concluding with thought-provoking questions.

## **(100 Level) Foundational Concepts of Whole Life Stewardship**

*The 100 series of The Steward's Way lays the foundation for a sound biblical understanding of the concept of whole life stewardship. The first step in this training is to properly understand this concept and its principles which in turn will allow you to wholly embrace and apply them in your personal life. Once these concepts become part of who you are, you can then use them to transform deeply, and often radically, your clients thinking and behavior providing them with a totally different lens with which to see their lives and their possessions.*
